Death of Miss Fontie May Hill.

This little community has again been visited by the Angel of Death and one been taken from us who was loved and respected by all. Miss Hill had not been in her usual health for more than a year, and passed away Sunday, Nov. 7, after an illness of about three weeks of typhoid fever. All that loving hearts and the best of medical aid and care could do was done but of no avail.

Fontie May Hill was born in Littleton, N. H., May 28, 1886, the only child of Emmett and Nettie (Dyke) Hill, her parents making their home here when she was but a few months old, her whole life has been spent in Concord with the exception of the past year and a half, when she has been in St. Johnsbury. Miss Hill was a young lady of many lovable qualities, whose mission it seemed to be to minister unto others in sickness and death, of irreproachable character, always having a pleasant word for all, the large circle of friends can but feel grateful that she so long dwelt among us, and will cherish her memory as one of the blessings of life. The funeral was held from her home Wednesday at 1 p. m., Rev. J. M. Frost of the Grace Methodist church at St. Johnsbury officiating. Two poems were read, one prepared for the occasion by a friend "A Tribute of Affection to Miss Fontie May Hill," the other, "In Heaven with the Children." There was a profusion of beautiful flowers, silent tokens of love and esteem. The bearers were Jethro Lillierap, Harry Lillierap, Ernest Lee, and Clarence Cutting. The interment was in Grove cemetery at East St. Johnsbury. Those called here from out of town to attend the funeral were, Mr. and Mrs. Ira Dyke and daughter of Lyman, N. Wells River Road Sued.

Federal Government Claims It Has Violated Safety Appliance Laws.

The penalty on conviction is \$100 and costs. The case is for trial at the adjourned session of United States court which opens Monday at Rutland. Similar suits have been brought against other railroads. It is said that the suit will be contested by the Montpelier and Wells River railroad.

Statement By Mrs. Staples.

It is expected that every Sunday School in the state has by this time received copies of the folder sent out by the publicity committee of the Vermont Sunday School association containing a brief report of the Woodstock Convention and the important recommendations which were there adopted together with a list of the officers elected for the coming year. We hope no one will fail to read very carefully the folder and to note the important changes desired. Notice particularly Nos. 3, 4, and 13 and let us plan to make this the banner county in Sunday School work.

MRS. ELLEN A. STAPLES, Secretary of Caledonia County, Sunday School Association.

first, because it is a necessity—that is the rule in magazine buying of America's intellectual aristocracy. It is indispensable to the busy business man, who must keep abreast of the times, because it gives him the real news of the day in concise, readable form; it is invaluable to the thinking man, who demands only the truth and then draws his own conclusions, because it gives him just plain, straight facts.

It is helpful to the whole family. In it you will find a monthly picture

of men and affairs by Dr. Albert Shaw, in his comprehensive editorial, "Progress of the World," a clever cartoon history of the month; book reviews; the gist of the best which has appeared in the other magazines and newspapers of the world; pithy character sketches; and interesting articles on the all-important topics of the day. Authoritative, non-partisan, timely and very much to the point, "It's a liberal education," is the way subscribers express it.
